CONNECT WITH US

If you are on Facebook, consider joining the Serteens Club of Hawaii Alumni group for the latest updates on the 50th Anniversary Reunion year activities. We post all our local social events with Alumni, Honolulu Sertomans, and ohana. It's also a fun way to find out what's happening and establish networking opportunities.

Search for: Serteens Club of Hawaii Alumni. Answer the two screening questions when you request to join this group:

- 1. Were you a member of the Serteens?***
- 2. Who else was in the club with you?***

Serteen Club advisors are admins/moderators and will screen your responses and add you to the group. You can also invite other Serteen Alumni to join the group once you are approved. We'd love to reconnect with all of you.
